Sub: Introducing Bijoyinee special scholarship for Women

Dear Sir/Madam,

Greetings from RICE Education

We would like to acknowledge your immense contribution in the field of education. Your continuous endeavors to enrich the students with your knowledge have contributed to their success in their academic career & thus have lead to their bright future.

It gives us great pleasure to announce that on the occasion of International Women's Day we at Rice Education have launched **Bijoyinee - Women's Scholarship** for women aspiring to take up Civil Services or any other prestigious Govt Job as a career option. As you are aware women's emancipation and furthering education of the girl child have been a core philosophy which has guided our thoughts in the field of women's education. The 21st century woman is full of promise and potential and is matching her more illustrious male colleagues at every step. The proverbial glass ceiling is now a thing of the past and we see more and more women taking up leadership roles in civil services and govt sector and we are finding more and more women making a beeline for the govt jobs on offer starting from WBCS to clerical posts.

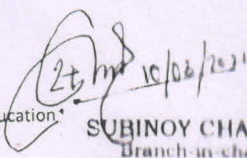

Since 1985 we have been successfully imparting quality training for various examinations held for the recruitment of Government & Public Sector employees under the Central and State Governments and this training has made our students achieve their goal of becoming Govt Officials.

Our **Bijoyinee** initiative is an effort to encourage these women who have dreams in their eyes and are waiting to take the leap of faith into the demanding profession of a civil servant by offering them 20% scholarship on RICE courses (Offer valid till 31st Mar '21). We believe that by extending this scholarship we would be able to help many deserving candidates realize their true potential and become accomplished professionals in their chosen field.

We would earnestly request you and your esteemed institute to partner us in this journey and help your students to explore the innumerable opportunities that our various courses provide. It is our earnest request to your good self to kindly spread the word around amongst your students so that they benefit from this initiative and realize their dreams.

Regards
